## Financial Services Guide

This Financial Services Guide (FSG) is designed to clarify who we are and what we do, and help you decide whether to use our services.

To make things simple, this guide explains:

- the services and types of products we're able to offer you
- how we and our associates are paid and any other benefits we may receive
- any potential conflicts of interest we may have
- how we protect your privacy and handle your personal information
- how we resolve disputes, and what you should do if you have one.

Please read through the whole FSG, as it's full of useful information – and is also worth holding on to for future reference. The Privacy Notification on page 11 is worthwhile reading as it gives you further clarity on how we handle your personal information. And of course, if you ever have any questions, please contact us.

## Other documents you may receive

In addition to this FSG, if we provide you with financial advice we will also present you with a written Statement of Advice (SOA).

This will describe:

- advice and strategies we recommend and the reasons why;
- the financial products and services we recommend and the reasons why;
- any fees or commissions we will receive; and
- any associations we have with financial product providers or other parties that may influence the advice we provide.

After that, any time you receive further financial advice from us, we will either provide you with another SOA or give you (or keep our own) written Record of Advice (ROA). You can request a copy of this by contacting us any time up to seven years from the date of the advice provided. Please refer to the "Contact us" section of this FSG for our contact details.

To help you make an informed decision about a financial product you generally will be given a Product Disclosure Statement (PDS) which outlines the product features and costs in detail. In certain circumstances it is not a requirement that you be given a PDS (including, for example, where you already have one).

## Giving us instructions

If you want to make changes to your financial plan or provide other instructions, please contact us. Please refer to the "Contact us" section of this FSG for our contact details.

Generally, you will need to give us instructions in writing (eg fax, email or letter) or another method agreed with us.

### **Not Independent**

We provide services in relation to products in our Approved Product List, which doesn't include all possible products available in the market. In addition, we may receive commission on life insurance products as explained in this FSG under the heading 'How we charge for our services'. For these reasons, we do not refer to ourselves or our advice as independent, impartial or unbiased.

# About our Licensee

We are authorised representatives of Consultum Financial Advisers Pty Ltd ABN 65 006 373 995, Australian Financial Services Licence Number 230323 (“**Consultum**”) of Suite 3, Level 8, 309 Kent St Sydney NSW 2000.

Consultum works closely to support advisers to build an end to end integrated solution so they can help clients to achieve their financial needs and objectives. All Consultum financial advisers have a legal obligation and an ethical duty to act with integrity and in the best interests of you, their clients.

## Approved Product List

Our Approved Products List (APL) is a list of what we consider to be sound quality, fully researched products, but doesn't include all possible products available in the market. Only products and services that have been examined by our experienced research team are placed on our APL.

When selecting products for you, we are generally limited to the range of investment products and a selection of 12 insurance providers on the APL.

Your adviser will first source from the APL before providing any recommendations. They will only recommend a product or service after considering its appropriateness in relation to your individual objectives, financial situation, needs and best interests. Where your strategy requires products and services other than those on the APL to act in your best interests, our research team will be consulted and we will seek to find an alternative solution.

Consultum Financial Advisers is a wholly owned subsidiary of Rhombus Advisory Pty Limited (Rhombus Advisory). Rhombus Advisory provides various services and support to Consultum Financial Advisers to enable it to operate its business and support its clients.

## Payments and benefits we receive

You can pay for the services you receive on a fee for advice basis. This allows you to know that you are paying for our advice irrespective of any product you use, clarifies the services you are entitled to, and ensures all recommendations are driven by your needs.

We will agree with you the amount you pay based upon:

- a flat dollar fee;
- an hourly rate;
- the amount you invest; or
- a combination of the above.

You can pay in the following ways:

- as a fee for advice that will be deducted from your investments as a one-off payment or in instalments;
- by direct invoice from us for initial and ongoing advice;
- via commission we may receive from a financial product provider when you commence an insurance contract; or
- a combination of the above.

If you are not already on a fee for advice package, you can move to this payment at any time.

### Other payments we may receive

We will provide you with details of all fees, commissions or other benefits we may receive when we provide advice to you and, where possible, will give actual dollar amounts. If we cannot provide this accurately, we will provide worked-dollar examples.

Even if you don't receive personal financial advice from us, you can still request the details of any fees, commissions or other benefits we receive in relation to any other financial service we provide you.

### Benefits we may receive

Sometimes in the process of providing advice, we may receive benefits from product providers.

### Conferences

We may attend conferences and professional development seminars that have a genuine education or training purpose. Consultum, or our employer, may pay for the costs of our travel and accommodation, and events and functions held in conjunction with the conference or seminar.

### Non-monetary benefits

We keep a register detailing certain non-monetary benefits that we receive e.g. benefits valued between \$100 and \$300, and those that relate to genuine education or training and technology software or support.

You can view an extract of the register by contacting us. Please be aware that Consultum may charge you for the cost of providing this information to you.

### Sponsorship

Consultum receives cash payments from product providers who sponsor and attend training presentations, conferences and/or professional development days. Amounts vary between product providers and GTO Wealth Management do not directly share in the sponsorship payment; however, GTO Wealth Management may indirectly benefit as these payments subsidise the costs associated with these training and professional development events.

## **Referrals**

### **Referrals from a third party**

At present we do not have any referral arrangement in place to pay a third party referrer a referral fee, commission or other benefit. If this changes, we will make you aware of this prior to providing advice, or further advice, to you.

### **Referrals to a third party**

At present we do not have any referral arrangement in place to provide referrals to third parties in return for payment or other benefit. If this changes, we will make you aware of this prior to providing advice, or further advice, to you.

# How our fees are calculated

Before providing you with advice we will prepare a Terms of Engagement letter. This document will set out the scope of our initial advice, a recommended ongoing advice programme, and how much it will cost.

Our remuneration schedule is based on a “fair fee for service” principle, and is dependent upon the complexity of your situation and the skills required to construct and manage strategies specific to your own personal needs and objectives.

This structure ensures that we are paid for advice, management and maintaining long term client relationships, rather than for recommending products and has been designed to protect your interests at all times.

All fees and commissions are inclusive of GST and the fees could be greater than those disclosed below in complex cases. In these instances, we will inform you of the exact fee payable promptly in writing.

---

<b>Initial consultation</b>	Free of charge.
-----------------------------	-----------------

---

<b>Strategic Advice Fee (Initial Advice)</b>	<p>Strategic Advice will typically form part of any initial wealth plan, but may not be required each year thereafter as the fee will only apply at times when there are significant changes to your situation.</p> <p>Whenever additional work is required to reflect significant changes to your situation, or to the Scope of Advice that you require, this fee may be charged over and above your ongoing retainer.</p> <p>The level of this fee will depend upon the complexity of the advice required and the time required to construct your financial plan.</p> <p>The minimum fee charged is \$2,750. On average, most Financial Plans that we produce are between \$2,750 and \$7,700.</p>
--	--

---

<b>Client Service Agreements (Retainer)</b>	<p>You can elect to enter into a 12 month Client Service Agreement as part of your financial planning strategy so you can receive advice services such as a meeting to review your plan. Details of the services will be set out in your 12 month Fixed Term Advice and Services Agreement.</p> <p>The fee can range from a minimum of \$2,750 while the average maximum is \$8,800 each year. The fee applied will be commensurate to the level of service needed and the complexity of the advice provided and will be outlined and agreed with you in the Agreement.</p>
---	---

---

<b>Ad hoc advice</b>	Where you do not wish to participate in a 12 month Client Service Agreement but require ongoing advice on an ad hoc basis, an hourly fee of between \$220 and \$275 may apply.
----------------------	--

---

<b>Execution only service</b>	We do not charge a fee where we provide a financial service to facilitate buying or selling of a specific financial product as instructed by you.
-------------------------------	---

**Insurance products**

Where we arrange a life insurance product for you, the relevant insurer will pay an initial commission to us. The commission is calculated as a percentage of the premium paid (and may include health, occupational, frequency and modal loadings and policy fees, but excludes stamp duty).

Annual commission will also be paid when you renew your policy each year.

The rates of initial and ongoing commission will depend on the date the policy is issued and are set out in the table below:

<b>Date policy is issued</b>	<b>Initial Commission (% of annual policy cost including GST)</b>	<b>Ongoing Commission (% of annual policy cost including GST)</b>
Before 1 January 2018 or before 1 April 2018 (where the application was received before 1/1/18)	up to 130%	up to 33%
From 1 January 2018	up to 88%	up to 33%
From 1 January 2019	up to 77%	up to 33%
From 1 January 2020	up to 66%	up to 33%

We may receive commission at pre 1 January 2018 rates if:

- you increase your cover, add new cover or otherwise amend a policy purchased by you before 1 January 2018; and
- that policy amendment results in commission receivable by us, and
- that policy amendment is eligible for pre-1 January 2018 commission rates.

**Example** (all figures include GST):

You purchase the policy for \$1000 on 1 December 2019. We may receive an initial commission of up to \$700 ( $\$1000 \times 77\%$ ) in the first year and ongoing commissions of \$330 per annum ( $\$1000 \times 33\%$ ) for as long as you continue to hold the policy.

If you increase your cover on 1 July 2020 for a cost of \$500, we may receive an initial commission of up to \$330 ( $\$500 \times 66\%$ ). The ongoing commissions on the additional cover may be up to \$165 ( $\$500 \times 33\%$ ). This is in addition to the ongoing commissions of \$330 per annum when the policy was purchased. Total ongoing commissions payable to us may be up to \$495 ( $\$1500 \times 33\%$ ).

Please note that the initial and ongoing commissions on life insurance products are paid to us by the product provider and are not an additional cost to you.

---

**Pre-existing arrangements**

For clients already in a pre-1 July 2013 commission arrangement, we may receive commission on investment and superannuation products or margin lending products. For investment products and superannuation products, the relevant product issuer will pay initial commission between 0% and 5.5% and ongoing commission between 0% and 0.88% of the value of your investments for as long as you hold the product. For margin loans the relevant product issuer will pay an ongoing commission between 0% and 0.88% of the outstanding loan balance. Commissions are paid to us by the product provider and are not an additional cost to you.
